Friends of EUROCLIO FOUNDATION
The Hague

1.1 Board Report 2013

Until 2010 the Foundation was fully active servicing European Associations of History Teachers. In 2010 all activities and projects have been transferred to the Association EUROCLIO. The Foundation was therefore renamed in Friends of EUROCLIO. Since then the main purpose of the Foundation was to act as a profile and fundraising group to support the work of the EUROCLIO Association.

As per December 2013 Joke van der Leeuw, Founder of EUROCLIO retired. The Foundation presented her a goodbye party in The Hague. No other activities did occur in 2013.

For legal reasons the Friends Foundation will remain separate and independent from the Association and will not use the Association's resources. Only a minority in the Board will combine their duty with serving the Board of EUROCLIO Association also. At present there is only one: finance expert Erwin Capitain. The Board further consists of: Sandra Kalniete, Dean Smart, and Elbert Roest. Dean Smart is the Secretary, Erwin Capitain is the treasurer. Sandra Kalniete has been appointed in February 2012 and was announced President in April 2012.

Our Foundation is registered as a so-called ANBI, meaning that donations will be free of gift tax.

With regard to private donations the infrastructure is in place. At www.euroclio.eu the possibility is generated to donate via the international payment clearing institute paypal.

EUROCLIO's MISSION

EUROCLIO supports the development of responsible and innovative history, citizenship and heritage education by promoting critical thinking, multi-perspectivity, mutual respect, and the inclusion of controversial issues. The Association advocates a sound use of history and heritage education towards the building and deepening of democratic societies, connecting professionals across boundaries of communities, countries, ethnicities and religions. It seeks to enhance the quality of history and citizenship education through capacity building for educators and producing and implementing innovative teaching tools.

Friends of EUROCLIO FOUNDATION
The Haque

Income and expenses are accounted for on accrual basis. Profit is only included when realized on balance sheet date. Losses originating before the end of the financial year are taken into account if they have become known before preparation of the financial statements.

Foreign currency

The annual accounts are presented in Euro's.

Assets and liabilities in foreign currencies are translated at an average rate of exchange. Transactions in foreign currencies are translated at the average rate of exchange. The resulting exchange differences are accounted for in the profit and loss account.

Accounting principles for the valuation of assets and liabilities

Tangible fixed assets

Tangible fixed assets, if any, are presented at cost less accumulated depreciation and, if applicable, less impairments in value. Depreciation is based on the estimated useful life and calculated as a fixed percentage of cost, taking into account any residual value.

Receivables

Receivables are included at face value, less any provision for doubtful accounts. These provisions are determined by individual assessment of the receivables.

Accounting principles for the determination the balance income and expenditure

Donations are recognised in the year they are received. Costs are allocated to the period to which they refer to. Grants to EUROCLIO Association are accounted for in the year in which the commitment is decided upon.
